Investment Mix (August 31, 2016)

HOW RISKY IS IT?

The value of the Fund can go down as well as up. You could lose money.

One way to gauge risk is to look at how much a fund’s returns change over time. This is called “volatility.”

In general, funds with higher volatility will have returns that change more over time. They typically have a greater chance of losing money and may have a greater chance of higher returns. Funds with lower volatility tend to have returns that change less over time. They typically have lower returns and may have a lower chance of losing money.

RISK RATING

Sprott Asset Management LP has rated the volatility of this Fund as **medium**.

This rating is based on how much the Fund’s returns have changed from year to year. It doesn’t tell you how volatile the Fund will be in the future. The rating can change over time. A fund with a low risk rating can still lose money.

For more information about the risk rating and specific risks that can affect the Fund’s returns, see “What Are the Risks of Investing in the Fund?” section of the Fund’s simplified prospectus.

NO GUARANTEES

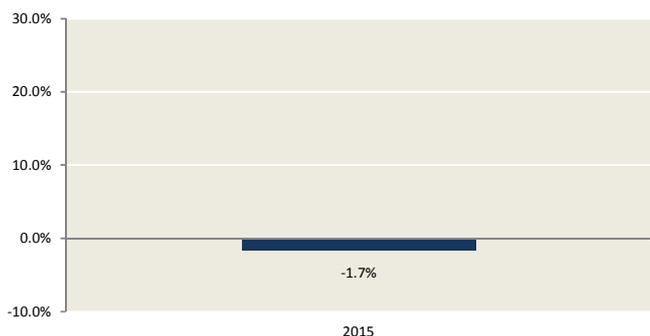

Like most mutual funds, this Fund does not have any guarantees. You may not get back the amount of money you invest.

HOW HAS THE FUND PERFORMED?

This section tells you how Series F shares of the Fund have performed in the past calendar year. Returns are after fund expenses have been deducted. These expenses reduce the Fund's returns.

Year-by-year returns

This chart shows how Series F shares of the Fund performed in the past calendar year. The Fund dropped in value in the past calendar year. The range of returns and change from year to year can help you assess how the Fund has been in the past. It does not tell you how the Fund will perform in the future.

Best and worst 3-month returns

This table shows the best and worst returns for Series F shares of the Fund in a 3-month period over the past calendar year and to August 31, 2016. The best and worst 3-month returns could be higher or lower in the future. Consider how much of a loss you could afford to take in a short period of time.

	Return	3 months ending	If you invested \$1,000 at the beginning of the period
Best return	9.88%	May 31, 2016	Your investment would rise to \$1,098.77.
Worst return	-11.15%	February 29, 2016	Your investment would drop to \$888.55.

Average return

As at August 31, 2016, a person who invested \$1,000 in Series F shares of the Fund on its inception would now have \$1,096.64. This works out to an annual compound return of 4.43%.

WHO IS THIS FUND FOR?

The Fund is suitable for those investors seeking long-term capital growth through investment in a range of real asset sectors of the global economy which are selected on a tactical basis. Investors should be comfortable with medium investment risk and a medium-term investment horizon.

! Don't buy this Fund if you need a steady source of income from your investments.

A WORD ABOUT TAX

In general, you'll have to pay income tax on any money you make on a fund. How much you pay depends on the tax laws where you live, the type of earnings (i.e., income or capital gains), and whether or not you hold the Fund in a registered plan such as a Registered Retirement Savings Plan or a Tax-Free Savings Account.

Keep in mind that if you hold your Fund in a non-registered account, fund distributions are included in your taxable income, whether you get them in cash or have them reinvested.

HOW MUCH DOES IT COST?

The following tables show the fees and expenses you could pay to buy, own and sell Series F shares of the Fund. The fees and expenses – including any commissions – can vary among series of a fund and among funds. Higher commissions can influence representatives to recommend one investment over another. Ask about other funds and investments that may be suitable for you at a lower cost.

1. Sales Charges

There are no sales charges or commissions payable to your representative's firm for Series F shares of the Fund.

2. Fund Expenses

You don't pay these expenses directly. They affect you because they reduce the Fund's returns.

As of June 30, 2016, the Fund's expenses were 2.54% of its value. This equals \$25.40 for every \$1,000 invested.

Annual Rate (as a % of the Fund's value)	
Management expense ratio (MER) This is the total of the Fund's management fee and operating expenses.	2.52%
Trading expense ratio (TER) These are the Fund's trading costs.	0.02%
Fund expenses	2.54%

Incentive Fee

No incentive fee is paid directly by the Fund. However, certain of the underlying funds in which the Fund invests may pay Sprott Asset Management LP annually an incentive fee. The incentive fee payable by each underlying fund is calculated in accordance with the simplified prospectus of such underlying fund.

More about the trailing commission

There is no trailing commission payable to your representative's firm (including discount broker) by Sprott Asset Management LP in respect of Series F shares of the Fund.

3. Other Fees

You may have to pay other fees when you buy, hold, sell or switch shares of the Fund.

FEE	WHAT YOU PAY
Fee-Based Account	Series F shares of the Fund are only available to investors who have a fee-based account with their representative's firm and whose representative's firm has signed an agreement with Sprott Asset Management LP. You pay a fee to your representative's firm for investment advice and other services.
Switch Fee / Conversion Fee	A fee of 0-2.0% of the value of the shares you wish to switch may be charged by your representative's firm, as negotiated with your representative.
Short-Term Trading Fee	Sprott Asset Management LP may impose a short-term trading fee payable by the shareholder to the Fund of up to 1.5% of the aggregate net asset value of the shares redeemed if such shares are redeemed within 20 days of their date of purchase or switch. For purposes of this short-term trading fee, shares will be considered to be redeemed on a first-in first-out basis.
Registered Tax Plan Fees	No fee is charged to open, close or administer a registered tax plan administered by Sprott Asset Management LP. However, for other registered tax plans holding other investments in addition to securities of a Sprott mutual fund, an annual trustee fee may apply payable to the administrator of the plan.

WHAT IF I CHANGE MY MIND?

Under securities law in some provinces and territories, you have the right to

- withdraw from an agreement to buy mutual funds within two business days after you receive a simplified prospectus or Fund Facts document, or
- cancel your purchase within 48 hours after you receive confirmation of the purchase.

In some provinces and territories, you also have the right to cancel a purchase, or in some jurisdictions, claim damages, if the simplified prospectus, annual information form, Fund Facts document or financial statements contain a misrepresentation. You must act within the time limit set by the securities legislation in your province or territory.

For more information, see the securities law of your province or territory or ask a lawyer.
