The Interest has not been registered under the U.S. Securities Act of 1933, as amended (the "Securities Act"), the securities laws of any State of the United States or any other applicable securities laws in reliance upon exemptions from the registration requirements of the Securities Act and such other laws. Ladies and Gentlemen:

1. Subscription.

(a) The undersigned (the “Investor”) subscribes for and agrees to purchase a limited partner interest in one or more series (the “Interest,” and together with all other limited partner interests in the Partnership, the “Interests”) in Resource Exploration and Development Private Placement, LP, a Delaware limited partnership (the “Main Partnership”) or Resource Exploration and Development Private Placement QP, LP (the “Parallel Partnership”, and together with the Main Partnership, each referred to herein and together with their respective associated investment vehicles as a “Partnership”), and thereby becomes a Limited Partner, as defined in the Third Amended and Restated Limited Partnership Agreement of the Main Partnership (the “Main Partnership Agreement”), the Amended and Restated Limited Partnership Agreement of the Parallel Partnership (the “Parallel Partnership Agreement” collectively with the Main Partnership Agreement, as the context requires, each a “Partnership Agreement”), with a Subscription Amount with respect to each selected series as set forth on the signature page hereof. The eligibility standards for the Main Partnership and the Parallel Partnership may differ, and each subscription will be evaluated under the requirements applicable to the vehicle selected on the signature page hereof.

(b) The Investor agrees by executing this Subscription Agreement that this subscription is, to the fullest extent permitted by law, irrevocable on the part of the Investor, and that this subscription is conditioned upon acceptance by Sprott US GenPar LLC, a Delaware limited liability company (the “General Partner”), on behalf of the Partnership, and may be accepted or rejected in whole or in part by the General Partner on behalf of the Partnership in its sole discretion. The Investor agrees to be bound by all of the terms and provisions of the Partnership Agreement, as supplemented and modified

by any other agreement entered into with the Investor, if any, in the final form provided to the Investor. Capitalized terms not defined herein have the meanings set forth in the Partnership Agreement.

(c) In accordance with the Partnership Agreement, the Investor also acknowledges that the General Partner, on its own behalf or on behalf of the Partnership, without the approval of any Limited Partner or any other Person may enter into one or more agreements with certain Limited Partners (which may include the Investor), or any assignee which has the effect of establishing rights under, or altering or supplementing the terms of, the Partnership Agreement, or such Limited Partner's Subscription Agreement as such agreement applies to such Limited Partner (each, a "Side Letter"), including without limitation, rights or altered or supplemented provisions in respect of the Management Fees, Performance Allocations, distributions, transfers of Interests, tax and structuring matters, reporting and other information rights, confidentiality, regulatory matters, reimbursement for expenses, notice requirements, withdrawal or other liquidity rights, and other representations, warranties or diligence confirmations. The Investor agrees that any terms contained in any such Side Letter with a Limited Partner or any assignee will govern with respect to such Person notwithstanding the provisions of the Partnership Agreement or this Subscription Agreement. Save as otherwise agreed with the General Partner to the extent permitted by applicable law, the Investor consents to the disclosure of the terms of any Side Letter granted to it to such persons as the General Partner determines that disclosure is required to comply with Article 23(1)(j) of the AIFMD with respect to EEA Investors and to comply with rule 3.2.2(11) of the Investment Funds sourcebook of the United Kingdom's Financial Conduct Authority's Handbook (the "Investment Funds Sourcebook") with respect to UK Investors.

(d) If and to the extent rejected, the Partnership will, to the extent permitted by law, return to the Investor, without interest or deduction, any payment tendered by the Investor, and the Partnership and the Investor will have no further obligation to each other hereunder. The Investor acknowledges and accepts that none of the Partnership, the General Partner, Sprott Asset Management USA Inc., as investment manager of the Partnership (the "Investment Manager"), Tia Khounborine, the Partnership's administrator (the "Administrator," which term will be construed to include any administrator of the Partnership unless the context otherwise requires) or their respective agents, affiliates or representatives will be responsible for any lost profit, revenue or damages of any kind due to a delayed acceptance or a rejection of the subscription.

2. Representations and Warranties of the Investor. To induce the General Partner to accept this subscription on behalf of the Partnership, the Investor represents, warrants, acknowledges and agrees as follows:

(a) The Investor has been furnished with and has carefully read the Amended and Restated Confidential Private Placement Memorandum relating to the applicable Partnership, as amended or supplemented through the date of the Investor's subscription for the Interest (the "Memorandum"), the Partnership Agreement and this Subscription Agreement (such documents, the "Fund Documents"). In addition, the Investor has received a copy of Part 2 of the current Form ADV of the Investment Manager. The Investor has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Interest, understands the risks of, and other considerations relating to, a purchase of the Interest, including, without limitation, the matters set forth in the Memorandum, and is able to bear the risks of such investment, which may include the loss of the Investor's entire investment. The Investor has not relied upon a purchaser representative (as defined in Rule 501 promulgated under the U.S. Securities Act of 1933, as amended (the "Securities Act")) in determining whether to invest in the Partnership. Further, the Investor understands that the Partnership has no financial or operating history and/or, to the extent the Investor is being admitted after the initial subscription date, the Partnership may have only a limited financial or operating history. The Investor has (i) the ability to independently (with the assistance of outside counsel or advisers, as appropriate) analyze

the performance information included in the marketing and diligence materials of the Partnership, and (ii) the financial expertise to understand the risks associated with, and limitations of, any hypothetical performance information included provided to the Investor, including in any marketing and diligence materials of the Partnership. The Investor is not investing in the Partnership in reliance on any prior or projected performance information.

(b) The Investor understands that the Interest has not been registered under the Securities Act, the securities laws of any state or the securities laws of any other jurisdiction, nor is any such registration contemplated. The Investor understands further that the Interest must be held indefinitely unless they are subsequently registered under the Securities Act and other applicable securities laws, or an exemption from registration under the Securities Act and other applicable securities laws covering the sale of the Interest is available. Even if such an exemption is available, the disposition, assignability and transferability of the Interest will be governed by the Partnership Agreement, which imposes substantial restrictions on transfer. The Investor understands that there is not now any secondary market for Interests and that such a market is not expected to develop; accordingly, it may not be possible for the Investor to readily liquidate the Investor's investment in the Partnership other than through a withdrawal from the Partnership as provided in the Partnership Agreement and the Investor may be holding such Interest for an indefinite period of time. The Investor understands that legends stating that the Interest has not been registered under the Securities Act and other applicable securities laws and setting out or referring to the restrictions on the transferability and resale of the Interest will be placed on any documents, if any, evidencing the Interest, and that for all of the foregoing reasons, no market exists or is expected to develop for the Interest. The Investor will not transfer all or any part of its Interest (or solicit any offers to transfer all or any part of its Interest), or otherwise seek to withdraw from the Partnership, except in accordance with: (i) the registration provisions of the Securities Act or an exemption from such registration provisions, (ii) the securities and similar laws of each applicable jurisdiction, and (iii) the terms of the Partnership Agreement and the Investor's Side Letter, if applicable. The Investor also understands that the Partnership is under no obligation to register the offer or sale of any Interest on behalf of the Investor in any jurisdiction whatsoever or to assist the Investor in complying with any exemption from registration under the Securities Act or under the securities or similar laws of any jurisdiction whatsoever. As the Interests are being offered pursuant to Rule 506(c) of Regulation D promulgated under the Securities Act, in certain cases the Investor and each proposed transferee will be required to furnish additional information, documentation and/or confirmation, as determined by the General Partner in its sole discretion, evidencing such Investor or proposed transferee's respective status as an "accredited investor" as defined in Regulation D promulgated under the Securities Act beyond the information requested in the Subscription Documents.

(c) The Investor is acquiring the Interest pursuant to this Subscription Agreement for its own account, for one or more insurance company general accounts or for one or more separate accounts maintained by the Investor or for the account of one or more pension or trust funds of which the Investor is a trustee or as to which the Investor is the sole qualified professional asset manager within the meaning of Prohibited Transaction Exemption 84-14 (a "QPAM"), in each case for investment purposes only, and not for the account of others or with a view to distribution or resale of such Interest or any interest therein, subject, however, to any requirement of law that the disposition of the Investor's property shall at all times be within its control. The Investor has no contract, undertaking, agreement or arrangement with any Person to transfer to such Person or to anyone else the Interest that the Investor hereby subscribes to purchase, or any part thereof, and the Investor has no plans to enter into any such contract, undertaking, agreement or arrangement. The Investor shall not transfer the Interest or any interest therein except as permitted by the applicable Partnership Agreement or the Investor's Side Letter, if applicable, and unless such Interest has been registered under the Securities Act and any applicable state or non-U.S. federal or local securities laws or, in the opinion of counsel acceptable to the Partnership, an exemption from the registration requirements of the Securities Act and any applicable state or non-U.S. federal or local securities laws is available. If the Investor is purchasing for the account of one or more pension or trust funds, it represents that (except to the

extent it has otherwise advised the General Partner in writing prior to the date hereof) it is acting as sole trustee or sole QPAM and has sole investment discretion with respect to the acquisition of the Interest to be purchased by the Investor pursuant to this Subscription Agreement, and the determination and decision on the Investor's behalf to purchase such Interest for such pension or trust funds is being made by the same individual or group of individuals who customarily pass on such investments, so that the Investor's decision as to purchases for all such funds is the result of one study and conclusion.

(d) The Investor's aggregate capital contributions to the Partnership and other investments that are not readily marketable is not disproportionate to the Investor's net worth, and the Investor has no need for immediate liquidity in the Investor's investment in the Interest hereunder. The Investor is able to bear the risks of holding the Interest for an indefinite period of time and can afford to suffer the complete loss of its investment in the Interest. The Investor shall maintain sufficient liquid assets.

(e) The Investor agrees to contribute in cash (unless otherwise agreed by the General Partner) to the capital of the Partnership the amount set forth on the signature page of this Subscription Agreement. Such amount will be payable in full in readily available funds by wire transfer to the bank account of the Partnership on or before **5:00 pm (Eastern Time) three Business Days prior to the intended** subscription date, or such other date permitted by the General Partner.

(f) Other than as set forth in the Fund Documents and the Investor's Side Letter, if applicable, the Investor has not and will not rely, with respect to the Interest, upon any information (including, without limitation, (i) any advertisement, article, notice or other communication published in any newspaper, magazine, website or similar media or broadcast over television or radio, or any seminars or meetings whose attendees have been invited by any general solicitation or advertising or (ii) any prior private placement memoranda, marketing materials or other materials or information superseded by the Fund Documents, representation or warranty by the Partnership, the Principals, the General Partner, the Investment Manager, any Affiliate of the foregoing or any of their respective directors, officers, employees, partners, members, managers, shareholders, advisers, attorneys-in-fact, representatives or agents (collectively, the "Sprott Persons")), written or otherwise, in determining to invest in the Partnership, and expressly acknowledges that none of the Sprott Persons makes any representations or warranties to it in connection therewith. The Investor understands that the Memorandum includes information that speaks only as of its respective date and that such information has not been updated through the date of this Subscription Agreement.

(g) To the full satisfaction of the Investor, the Investor has been furnished any materials the Investor has requested relating to the Partnership and the offering of the Interest or any statement made in the Memorandum, the Investor has been afforded the opportunity to ask questions of representatives of the Partnership concerning the terms and conditions of the offering and to obtain any additional information necessary to verify the accuracy of any representations or other information set forth in the Fund Documents or otherwise relating to the offering of Interest, and all such questions, if asked, have been answered satisfactorily and all such documents, if examined, have been found to be satisfactory. The Investor understands that no United States federal, state, local or non-U.S. agency has passed upon the Interest or made any finding or determination as to the merits or fairness of an investment in the Partnership. In addition, the Investor acknowledges and agrees that the Sprott Persons may have confidential information relating to the Partnership and prospective investments to be made by the Partnership that has not been disclosed to the Investor, and that notwithstanding such non-disclosure such Investor has received information deemed by it to be sufficient to allow it to make an independent and informed decision with respect to its investment in the Partnership.

(h) The Investor has consulted, to the extent deemed appropriate by the Investor, with the Investor's own advisers as to the financial, tax, legal, regulatory and related matters concerning an

investment in the Interest and on that basis understands the financial, legal, tax, regulatory and related consequences of an investment in the Interest, and believes that an investment in the Interest is suitable and appropriate for the Investor. The Investor has not relied and is not relying on any of the Sprott Persons to provide, and none of the Sprott Persons has provided, any kind of legal, investment or tax advice. The Investor is familiar with the Partnership Agreement and understands its terms, including the nature and scope of the rights and remedies provided to the General Partner and the Partnership in the Partnership Agreement, and the Investor is prepared to accept the exercise against the Investor of such rights and remedies. The Investor also understands the restrictions and limitations on its right to withdraw or transfer all or any portion of its Interest from the Partnership.

(i) The Investor is an “accredited investor” as such term is defined in Rule 501 of Regulation D promulgated under the Securities Act (and as further described on page IQ-11) and the Investor will provide such additional information, documentation or confirmation as the General Partner or the Administrator requires, in its discretion, to evidence its status as an “accredited investor” within the meaning of Rule 501 of Regulation D promulgated under the Securities Act in order to permit the General Partner and the Partnership to comply with the provisions of Rule 506(c) of Regulation D. To the extent that any “look-through” rules apply to the Investor under the Securities Act, each Person that holds an equity interest in the Investor is, and each Person that at any time in the future holds an equity interest in the Investor will be, an “accredited investor” and, if the Investor is subscribing to the Parallel Partnership, a “qualified purchaser” within the meaning of Section 2(a)(51) of the 1940 Act. For the avoidance of doubt, no representation regarding “qualified purchaser” status is required for Investors subscribing solely to the Main Partnership. The Investor, as well as any direct or indirect beneficial owner of the Investor that would be identified as a “client” under Rule 205-3 of the U.S. Investment Advisers Act of 1940, as amended (the “Advisers Act”), is a “qualified client” within the meaning of the Advisers Act. Additionally, to the extent that any “look-through” rules apply to the Investor under the Securities Act, the General Partner and the Administrator will request such additional information, documentation or confirmation as the General Partner requires, in its discretion, to evidence that status of each beneficial owners (including any underlying beneficial owners of such beneficial owners) of the Investor as an “accredited investor” within the meaning of Rule 501 of Regulation D promulgated under the Securities Act in order to permit the General Partner to comply with the provisions of Rule 506(c) of Regulation D promulgated under the Securities Act.

(j) The Investor represents and warrants that, with respect to each Partnership for which it has elected to subscribe on the signature page hereto, it satisfies the eligibility requirements for such vehicle under the Investment Company Act of 1940, as amended. The Investor further agrees to provide such information as the General Partner or its delegates, including the Administrator, as may reasonably request to substantiate the foregoing.

(k) The Investor is not subject to any sanction, order or other disciplinary status that would limit its ability to invest in the Partnership or participate as a Limited Partner, or otherwise that would limit the ability of the Partnership to carry out the offering of Interest (including under Regulation D).

(l) If the Investor is a “U.S. person,” the Investor will notify the General Partner immediately if the Investor ceases to be a U.S. person. If the Investor is not a “U.S. person”, then the Investor (i) will notify the General Partner immediately if the Investor becomes a “U.S. person” at any time during which the Investor holds or owns any Interest, and (ii) is not subscribing on behalf of or funding its Subscription Amount with funds obtained from “U.S. persons”. For purposes of this Section 2(k), “United States” and “U.S. person” have the meanings set forth in Regulation S of the Securities Act, as set forth on Annex 4 hereto.

(m) If the Investor was, or is deemed under U.S. securities laws to have been, formed for the specific purpose of acquiring the Interest, the offering and sale of interests in the Investor does not and will not result in the Partnership's offer and sale of the Interest failing to qualify for exemption from registration in reliance upon Regulation D promulgated under the Securities Act.

(n) The Investor was offered the Interest in the state or other jurisdiction listed in the Investor's "State/Province and Country of Principal Place of Business / Domicile" set forth in the Investor Questionnaire attached hereto as Part II and, subject to Section 19(h) below, intends that the securities law of that jurisdiction govern the Investor's subscription. The Investor meets any additional or different suitability standards imposed by the securities and similar laws of the country, state or other jurisdiction of the principal place of business or domicile of the Investor, and the Investor is eligible, under all laws, regulations and governmental orders applicable, to (i) receive and accept an offer to sell or solicitation of the Investor's offer to purchase the Interest in the manner made to the Investor, (ii) accept delivery (including, without limitation, electronic delivery) of, and review, the Fund Documents and any other documents which may have been made available upon request of the Investor and (iii) subscribe for and purchase the Interest as contemplated hereby. The Investor acknowledges and agrees that the distribution of the Fund Documents or any other materials in connection with the investment in the Interest does not constitute an offer to sell or the solicitation of an offer to buy in any state or other jurisdiction to any Person to whom it is unlawful to make such offer or solicitation in such state or jurisdiction and that such distribution and the offer and sale of the Interest in certain jurisdictions may be restricted by law.

(o) The Investor warrants that there is no legal action, suit, arbitration or other legal administrative or other governmental investigation, inquiry or proceeding (whether federal, state, local or non-U.S.) pending or, to the knowledge of the Investor, threatened against (i) the Investor, and (ii) if the Investor is an entity, any of the directors, managing members, managers, trustees or general partners of the entity or any of its properties, assets or business, in each case that would have a material adverse effect on the Investor's ability to fund its Subscription Amount. To the knowledge of the Investor, there is no reasonable basis for any such action, suit, arbitration, investigation inquiry or proceeding that may reasonably be expected to have a material adverse effect on the Investor's ability to fund its Subscription Amount.

(p) If the Investor is not a natural person, (i) the Investor is duly organized, formed or incorporated, as the case may be, and validly existing and in good standing under the laws of the Investor's jurisdiction of organization, formation or incorporation, (ii) the Investor has all requisite power and authority to execute, deliver and perform its obligations under this Subscription Agreement and each other document required to be executed and delivered by the Investor in connection with this subscription for the Interest, and to perform its obligations hereunder and thereunder and consummate the transactions contemplated hereby and thereby and become a Limited Partner of the Partnership pursuant to the Partnership Agreement, (iii) the purchase of the Interest and the execution and delivery of this Subscription Agreement and each other document required to be executed and delivered by the Investor in connection with its subscription for the Interest, including, without limitation, the power of attorney contained herein, have been authorized by all necessary corporate or other action on behalf of the Investor, and (iv) the Person signing this Subscription Agreement and each other document required to be executed and delivered by the Investor in connection with its subscription for the Interest and granting the power of attorney contained herein on behalf of the Investor has been duly authorized to execute and deliver this Subscription Agreement and each other document required to be executed and delivered by the Investor in connection with this subscription for the Interest. The Investor understands and agrees that the representations and warranties set forth in this paragraph will be deemed repeated and reaffirmed by the Investor as of each date that it is required to make a contribution of capital to the Partnership pursuant to the Partnership Agreement.

(q) If the Investor is a corporation, partnership, limited liability company, trust or other entity, then the Investor hereby makes the following additional representations and warranties:

(i) The Investor's Subscription Amount does not represent more than 40% of the Investor's total assets or committed capital, as applicable.

(ii) The Investor was not formed, reformed or recapitalized for the specific purpose of investing in the Partnership or to permit the Partnership to avoid classification as an investment company under the 1940 Act, unless disclosed in writing to the General Partner prior to the date hereof.

(iii) The Investor (as opposed to its investors) is not making this investment with a principal purpose of enabling the Partnership to satisfy the 100 person "safe-harbor" for avoiding "publicly traded" Partnership status under the United States Internal Revenue Code of 1986, as amended (the "Code").

(iv) The Investor is not required, and will not be required, to register as an "investment company" under the 1940 Act.

(v) The Investor is not a defined contribution plan which allows participants to determine whether or how much will be invested in investments on their behalf.

(vi) To the best of the Investor's knowledge, the Investor does not control, is not under common control with, or controlled by, any other investor in the Partnership and no Persons other than the Investor will have a beneficial interest in the Interest to be acquired hereunder (other than as a shareholder, partner or other beneficial owner of an equity interest in the Investor).

(vii) The Investor does not have shareholders, partners, trustees or beneficiaries or owners that (x) have the right to elect not to participate in an investment in the Partnership or to consult regarding non-participation in such an investment, or (y) have an interest in the Investor substantially all of the value of which is attributable to the Investor's interest in the Partnership.

(r) If the Investor is a natural person, the Investor has all requisite legal right, power and capacity and has obtained the age of majority to acquire and hold the Interest subscribed for hereby and to execute, deliver, perform and comply with each of the documents required to be executed and delivered by or on behalf of the Investor in connection with this subscription for the Interest. If the Investor lives in a community property state in the United States, either (i) the source of the Investor's Subscription Amount will be separate property of the Investor and the Investor will hold its Interest as separate property, or (ii) the Investor has the authority alone to bind the community property or the Investor's marital estate with respect to this Subscription Agreement and all other agreements contemplated hereby, including, without limitation, the Partnership Agreement.

(s) This Subscription Agreement, including, without limitation, the power of attorney provided herein, and each other document required to be executed and delivered by the Investor in connection with its subscription for the Interest have been duly executed by the Investor and constitute, upon execution and delivery by or on behalf of the Investor (including by the General Partner pursuant to the power of attorney contained herein), a valid and legally binding agreement of the Investor, enforceable against the Investor in accordance with their respective terms (subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors' rights generally, by equitable principles (whether considered in a proceeding in equity

or at law) and by an implied covenant of good faith and fair dealing). Assuming the assets of the Partnership are not “plan assets” (within the meaning of the Plan Asset Regulations), the execution and delivery of this Subscription Agreement and each other document required to be executed and delivered by the Investor in connection with its subscription for the Interest, the consummation of the transactions contemplated hereby and the performance of the Investor’s obligations hereunder, under the Partnership Agreement and each other document required to be executed and delivered by or on behalf of the Investor in connection with this subscription for the Interest will not conflict with, or result in any violation of or default under, any provision of any charter, by-laws, trust agreement, partnership agreement or other governing instrument applicable to the Investor (if not a natural person), or any agreement or other instrument to which the Investor is a party or by which the Investor or any of the Investor’s properties are bound, or any permit, franchise, judgment, decree, statute, order, rule or regulation applicable to the Investor or its business or properties. All consents, approvals, orders, authorizations, registrations, declarations, filings or other actions by or with respect to any governmental authority or third party that are required in connection with the valid execution, delivery and performance by the Investor of this Subscription Agreement, the Partnership Agreement and any other document to be executed by the Investor in connection therewith have been obtained and are in full force and effect. In addition, the Investor represents that any power of attorney of the Investor contained in this Subscription Agreement and the Partnership Agreement has been executed and authorized by the Investor in compliance with the laws of the state or jurisdiction in which such agreements were executed.

(t) The Investor acknowledges and agrees that when its subscription for Interests is accepted, the Interests will be treated for economic purposes as having been issued with effect from the relevant date set forth on the Acceptance of Subscription page included herein (the “Subscription Date”) notwithstanding that its subscription for those Interests may not be entered in the Partnership’s register of limited partners until after the relevant Subscription Date and that the payment will accordingly be subject to investment risk in the Partnership from the relevant Subscription Date.

(u) If the Investor is, or is acting directly or indirectly on behalf of, a “benefit plan investor” within the meaning of the Plan Asset Regulations, or is subject to any provisions of any federal, state, local, non-U.S. or other laws or regulations that contains one or more provisions that are (a) similar to any of the fiduciary responsibility or prohibited transaction provisions contained in Title I of the United States Employee Retirement Income Security Act of 1974, as amended (“ERISA”), or Section 4975 of the Code or (b) similar to the provisions of the Plan Asset Regulations or would otherwise provide that the assets of the Partnership could be deemed to include “plan assets” under such law or regulation (collectively, the “Other Plan Laws”), then the Investor (herein referred to as a “Plan”) represents, warrants and agrees that (i) the decision to invest in the Interest was made by a fiduciary, within the meaning of Section 3(21) of ERISA or as defined under applicable Other Plan Laws (a “Fiduciary”), of the Plan which is unrelated to the Partnership, the General Partner, the Investment Manager or any of their respective employees, representatives or Affiliates and which is duly authorized to make such an investment decision on behalf of the Plan (the “Plan Fiduciary”), (ii) the Plan Fiduciary is aware of and has taken into consideration its fiduciary duties under ERISA or any applicable Other Plan Laws, including, if applicable, the diversification requirements of Section 404(a)(1)(c) of ERISA, (iii) the Plan Fiduciary has concluded that the Investor’s proposed investment in the Partnership is a prudent one, (iv) the Investor’s acquisition and subsequent holding of the Interest, in accordance with and subject to the terms and conditions of the Partnership Agreement, do not and will not constitute a “prohibited transaction” within the meaning of Section 406 of ERISA or Section 4975 of the Code or any Other Plan Laws that is not subject to any exemption contained in ERISA or the applicable Other Plan Laws or in the rules and regulations adopted thereunder, (v) this subscription and the investment contemplated hereby are in accordance with all requirements applicable to the Plan under its governing instruments and under ERISA, the Code and all applicable Other Plan Laws, and (vi) the Plan Fiduciary acknowledges and agrees that none of the General Partner, the Investment Manager or any of their respective employees, representatives or Affiliates is a

Fiduciary with respect to any assets of the Plan by reason of the Investor's investment in the Partnership and that the Investor has not relied and is not relying on the General Partner, the Investment Manager or any of their respective employees, representatives or Affiliates to provide, and none of the General Partner, the Investment Manager or any of their respective employees, representatives or Affiliates has provided, any kind of investment advice with respect to the Investor's purchase.

(v) The Investor hereby acknowledges and agrees that it is not an advisory client of the General Partner, the Investment Manager or any of their respective Affiliates for purposes of the Advisers Act, in connection with the Investor's decision to invest in, or otherwise in connection with its investment in, the Partnership. The Investor hereby acknowledges and agrees that in accordance with the Partnership Agreement, the advisory committee, to the extent formed, is designated and authorized to determine whether to provide consents or approvals on behalf of the Partnership in respect of certain matters arising under the Partnership Agreement or the Advisers Act, or otherwise as requested by the General Partner, including, without limitation, any approvals required under Section 206(3) of the Advisers Act and any consent to a transaction which would result in the "assignment" (within the meaning of the Advisers Act) of the General Partner's interest in the Partnership.

(w) Neither the Investor nor any of its Affiliates is a party to any financial instrument or contract (other than this Subscription Agreement and the Partnership Agreement) the value of which is determined in whole or in part by reference to the Partnership (including the amount of distributions by the Partnership, the value of Partnership assets or the results of Partnership operations) and that is treated as an interest in the Partnership under Treasury Regulations Section 1.7704-1(a)(2)(i)(B).

(x) Unless otherwise specified by the General Partner and the Investor in writing, if the Investor is an EEA Investor (as defined in Appendix A) for the purposes of the AIFMD, a UK Investor (as defined in Appendix A) for the purposes of the UK AIFMR or a Swiss Investor (as defined in Appendix A) for the purposes of the CISA, the Investor hereby makes the additional agreements, representations and warranties, as applicable, set forth on Appendix A attached hereto. For the purposes of this Subscription Agreement, the "AIFMD" shall mean the Directive 2011/61/EU of the European Parliament and of the Council of 8 June 2011 on Alternative Investment Fund Managers together with Commission Delegated Regulation (EU) No 231/2013 supplementing Directive 2011/61/EU, as well as any similar or supplementary law, rule or regulation including any equivalent or similar law, rule or regulation implemented and applicable in the United Kingdom (the "UK") following its withdrawal from the European Union (the "EU"), or subordinate legislation or guidance thereto (as amended from time to time, the "UK AIFMR"), as implemented in any relevant jurisdiction, in all cases as amended from time to time.

(y) The Investor hereby certifies that the representations and warranties in Annex 1 are true, accurate and complete as of the date hereof. The Investor further represents, warrants and agrees that it will promptly inform the General Partner in writing if at any time after the date hereof any of the representations in Annex 1 are no longer true, accurate and complete. To the extent that any of the representations and warranties in Annex 1 cease to be true, accurate and complete by virtue of the occurrence of any of the events listed in Annex 1 (each, a "Disqualifying Event") at any date after the date hereof through the final closing of the Partnership: (i) unless otherwise determined by the General Partner in its sole discretion, notwithstanding anything to the contrary in the Partnership Agreement, the Investor's voting rights in respect of the Partnership's outstanding voting equity securities (calculated on the basis of voting power) shall be automatically reduced, as of the day prior to the date on which the Disqualifying Event occurred, to the lesser of 19.9% and the percentage that would otherwise apply pursuant to the Partnership Agreement (and will in no event exceed 19.9% at any time thereafter), and the General Partner is hereby authorized on behalf of the Investor to take such action as the General Partner deems necessary or appropriate to give effect to the same; and (ii) the Investor acknowledges that if the General Partner determines that for any reason the foregoing is not sufficient to avoid any adverse impacts under Rule

506(d) or 506(e) of Regulation D promulgated under the Securities Act, such Disqualifying Event will entitle the General Partner, in its sole discretion, to require the Investor to withdraw from the Partnership. Any vote, consent or decision of such Investor pursuant to the Partnership Agreement made on or after the date upon which such Investor's voting Interest was reduced will be tabulated or made after giving effect to such reduced voting Interest.

(z) The Investor will make such additional representations and warranties and furnish such information with respect to itself, including its investment experience and financial position, as the General Partner may reasonably require in order to verify the accuracy of Investor's representations and warranties herein and comply with applicable law, rule, regulation or order. The information that the Investor has provided to the General Partner or the Partnership, contained in this Subscription Agreement and in the investor questionnaire (the "Investor Questionnaire") is correct and complete as of the date set forth on the signature page and will be correct and complete as of the date of the closing of the Interest subscribed for pursuant to this Subscription Agreement (the "Closing") and as of the date of any additional purchase of the Interest by it. If, at any time, there should be any material change in the information set forth herein, in the Investor Questionnaire or otherwise provided to the Partnership or the General Partner, or if any of the representations, warranties or information set forth herein, in the Investor Questionnaire or otherwise provided to the Partnership or the General Partner becomes untrue, the Investor will promptly notify the General Partner and furnish such revised or corrected information to the General Partner.

(aa) The Investor acknowledges that due to anti-money laundering requirements operating within their respective jurisdictions, the Partnership, the General Partner, the Investment Manager and/or the Administrator (as the case may be) may require additional documentation before a subscription application or withdrawal request can be processed. Please be aware that the Investor's failure to provide or a delay in providing any such documentation may result in a delay of the Investor's acceptance to the Partnership, cause the Investor's subscription to be rejected entirely or delay the satisfaction of the Investor's withdrawal request, as applicable. The Partnership, the General Partner, the Administrator and the Investment Manager will be held harmless and indemnified against any loss arising as a result of any such delay or rejection due to the Investor's failure to provide or delay in providing any such requested information.

(bb) The Investor acknowledges and agrees that Interests will not be issued until such time as the General Partner and/or the Administrator has received and is satisfied with all the information and documentation requested to verify the Investor's identity. Where at the sole discretion of the Partnership, Interests are issued prior to the General Partner and/or Administrator having received all the information and documentation required to verify the Investor's identity, the Investor will be prohibited from withdrawing any Interests so issued, and the Partnership, and the Administrator on its behalf, reserves the right to refuse to make any withdrawal payment or distribution to the Investor, until such time as the General Partner and/or the Administrator, as applicable, has received and is satisfied with all the information and documentation requested to verify the Investor's identity.

(cc) The Investor acknowledges and agrees that in connection with the services provided to the Partnership, its personal data may be transferred and/or stored in various jurisdictions in which the Administrator and/or its affiliates have a presence, including to jurisdictions that may not offer a level of personal data protection equivalent to the Investor's country of residence. The Investor further acknowledges and agrees that each of the Partnership, the Administrator and/or the Investment Manager may disclose the Investor's personal data to each other, to any affiliate, to any other service provider to the Partnership (including banks and/or brokers of the Partnership), to any investment vehicle (including its administrator) that the Partnership may invest or to any regulatory body in any applicable jurisdiction to which any of the Partnership, the Administrator and/or the Investment Manager is or may be subject. This includes copies of the Investor's subscription application/documents and any information concerning the

Investor in their respective possession, whether provided by the Investor to the Partnership, the Administrator and/or the Investment Manager or otherwise, including details of that Investor's holdings in the Partnership, historical and pending transactions in the Partnership's Interests and the values thereof, and any such disclosure, use, storage or transfer shall not be treated as a breach of any restriction upon the disclosure, use, storage or transfer of information imposed on any such person by law or otherwise.

(dd) The Investor understands that (i) the Partnership has retained the Investment Manager to provide the services described in the Fund Documents, (ii) the Investment Manager will be paid fees by the Partnership, and the Investor will bear a portion of such fees as further described in the Partnership Agreement, and (iii) under certain circumstances, the Partnership will indemnify the Sprott Persons, as described in the Partnership Agreement.

(i) The Investor has provided the applicable information and documentation requested in Part III (AML / KYC Information), and such information and documentation is true, accurate and complete as of the date hereof, and the Investor agrees to notify the General Partner promptly if any such information or documentation, becomes untrue, inaccurate or incomplete at any time

3. Privacy Notice. If the Investor is a natural person, the Investor acknowledges receipt of the notice, attached hereto as Annex 5, regarding privacy of financial and personal information, and agrees that the Interests are a financial product that the Investor has requested and authorized. The Investor acknowledges and agrees that the Partnership may disclose nonpublic personal information of the Investor to the Partnership's Affiliates, accountants, financing sources, attorneys, representatives and other service providers, and to securities regulatory authorities and governmental authorities, as necessary or advisable to effect, administer and enforce the Partnership Agreement and the Partners' rights and obligations thereunder, and such information may be included in record books in connection with the offering of Interest. By executing this Subscription Agreement, the Investor consents to the foregoing collection, use and disclosure of the Investor's personal information. In addition, if the Investor is a natural person, the Investor acknowledges receipt of the notice, attached hereto as Annex 5, regarding privacy of financial and personal information and agrees that the Interests are a financial product that the Investor has requested and authorized.

4. Certain Tax Matters.

(a) The Investor will complete and return with this Subscription Agreement an IRS Form W-9 (for any person that is a "United States person" within the meaning of Section 7701(a)(30) of the Code) or an appropriate Internal Revenue Service ("IRS") Form(s) W-8 (W-8BEN, W-8BEN-E, W-8IMY, W-8ECI or W-8EXP) (for any person that is not a "United States person"), as applicable, in accordance with the instructions set forth on such Form(s).

(b) The Investor certifies that (i) the Investor's name, taxpayer identification, social security number, global intermediary identification number (or any other number provided to the Investor by the IRS for purposes of Chapter 3, Chapter 4 or Chapter 61 of the Code) and address provided in the Investor Questionnaire is correct, (ii) the Investor has completed and submitted to the General Partner the appropriate IRS Form W-8 or Form W-9 in accordance with the instructions set forth in such Form(s) based on whether the Investor will be admitted to the Partnership, a feeder fund or a parallel fund, along with any required waiver of local privacy laws that could otherwise prevent disclosure of information to the General Partner, an Affiliate thereof, the IRS or any other governmental authority for purposes of Chapter 3, Chapter 4 or Chapter 61 of the Code (including without limitation in connection with FATCA, as defined below) or any intergovernmental agreement entered into in connection with the implementation of FATCA (an "IGA"), and any other documentation required to establish an exemption from, or reduction in, withholding

tax or to permit the Partnership, any feeder fund or parallel fund or any other entity in which such entities invest to comply with information reporting requirements pursuant to Chapter 3, Chapter 4 or Chapter 61 of the Code (including, without limitation, in connection with FATCA or any IGA) and (iii) the Investor will, within thirty (30) days of the Investor's receipt of written notice that the Investor is a partner or other member of a feeder fund or parallel fund, provide to the General Partner a new IRS Form W-9 or IRS Form W-8 (W-8BEN, W-8BEN-E, W-8IMY, W-8ECI or W-8EXP) in accordance with the instructions set in Section 4(a) above, and such additional documentation that is required, as described in the foregoing clause (ii), if the IRS Form(s) previously submitted by the Investor is not applicable (or is not accurate) with regard to the interest the Investor has in such feeder fund or parallel fund.

(c) The Investor will (i) provide prompt written notice to the Partnership, and in any event within thirty (30) days, of any change in the Investor's United States tax or withholding status, (ii) execute properly and provide to the Partnership, within thirty (30) days of written request by the General Partner (or any Affiliate thereof), any other tax documentation or information that may be reasonably required by the General Partner (or an Affiliate thereof) in connection with the operation of the Partnership to comply with applicable laws and regulations (including, but not limited to, the name, address and taxpayer identification number of any "substantial U.S. owner" (as defined in the Code) of the Investor or any other document or information requested by the General Partner (or an Affiliate thereof) in connection with the Partnership complying with FATCA and/or any IGA or required to reduce or eliminate any withholding tax directly or indirectly imposed on or collected by or with respect to the Partnership), and (iii) execute and properly provide to the Partnership, within thirty (30) days of written request by the General Partner (or an Affiliate thereof), any tax documentation or information that may be requested by the General Partner (or any Affiliate thereof).

(d) The Investor further consents to the reporting of the information provided pursuant to this Section 4, in addition to certain other information, including, but not limited to, the value of the Investor's Interest and the amount of any distributions to the Investor, by the Partnership to the IRS or any other governmental authority if it is required to do so under FATCA. As used herein, "FATCA" means one or more of the following, as the context requires: (i) Sections 1471 through 1474 of the Code and any associated legislation, regulations or guidance, the Common Reporting Standards issued by the Organization for Economic Cooperation and Development or similar legislation (including, but not limited to, any legislation adopted by a member state of the European Union to implement the amendments made to Council Directive 2011/16/EU by Council Directive (EU) 2018/822 of 25 May 2018 amending Directive 2011/16/EU as regards mandatory automatic exchange of information in the field of taxation in relation to reportable cross-border arrangements, as amended), regulations or guidance enacted in any other jurisdiction which seeks to implement equivalent tax reporting, financial or tax information sharing, and/or withholding tax regimes, (ii) any intergovernmental agreement, treaty or any other arrangement between one jurisdiction and any of the U.S., the UK or any other jurisdiction (including between any government bodies in each relevant jurisdiction), entered into to facilitate, implement, comply with or supplement the legislation, regulations or guidance described in the foregoing clause (i), and (iii) any legislation, regulations or guidance implemented in a jurisdiction to give effect to the foregoing clauses (i) or (ii). By executing this Subscription Agreement, the Investor understands and acknowledges that (i) it will be subject to the provisions in the Partnership Agreement with respect to withholding on taxes (including, without limitation, with respect to FATCA), (ii) the General Partner (or Affiliate thereof) may be required to provide the identities of the Investor's direct and indirect beneficial owners to a governmental entity as set forth in such agreements, and (iii) the Investor hereby waives any provision of law and/or regulation of any jurisdiction that would, absent a waiver, prevent the Partnership from compliance with the foregoing and otherwise with applicable law as described in this Section 4.

(e) Unless the Investor has indicated otherwise in the Investor Questionnaire submitted by the Investor herewith, if the Investor is, for United States federal income tax purposes, a

partnership, a grantor trust, an S corporation or an entity that is disregarded as an entity separate from its owner for U.S. federal income tax purposes that is owned by any of the foregoing (each a “Flow Through Entity”), the Investor hereby represents that no other Person (a “Beneficial Owner”) will be treated as a partner in the Partnership pursuant to Treasury Regulations Section 1.7704-1(h)(3) by reason of the fact that: (i) substantially all of the value of such Beneficial Owner’s interest in the Flow Through Entity is attributable to the Flow Through Entity’s interest (direct or indirect) in the Partnership; and (ii) a principal purpose of the use of the tiered arrangement is to permit the Partnership to satisfy the 100-partner limitation set forth in Treasury Regulations Section 1.7704-1(h)(1)(ii) (assuming for purposes of this representation that the Partnership intends to satisfy such 100-partner limitation).

(f) Neither the Investor nor any of its Affiliates is a party to any financial instrument or contract (other than this Subscription Agreement and the Partnership Agreement) the value of which is determined in whole or in part by reference to the Partnership (including the amount of distributions by the Partnership, the value of Partnership assets or the results of Partnership operations) and that is treated as an interest in the Partnership under Treasury Regulations Section 1.7704-1(a)(2)(i)(B).

(g) The Investor understands that Investors who are (i) not U.S. citizens or residents and (ii) U.S. citizens or residents and who fail to provide their correct social security or taxpayer identification numbers could be subject to United States withholding tax on a portion of their distributive shares of the Partnership’s income. By executing this Subscription Agreement, the Investor acknowledges and agrees that the General Partner and/or the Investment Manager may take such action as each of them considers necessary or appropriate with respect to such Investor and/or such Investor’s right to distributions to ensure that any withholding tax payable by the Partnership, and any related costs, interest, penalties and other losses and liabilities suffered by the Partnership, or any other purchaser or investor in the Partnership (the “Other Investors”), or any delegate, director, officer, employee, partner, member, manager, shareholder, adviser, attorney-in-fact, representative, agent or Affiliate of any of the foregoing Persons, arising from such Investor’s failure to provide any requested documentation or other information to the Partnership, is economically borne solely by such Investor.

(h) If the Investor provides information or documentation that is in anyway misleading or inaccurate or if the Investor fails to provide information or documentation as may be requested from time to time, (whether or not such action or inaction leads to compliance failures by the Partnership, or a risk of the Partnership or its investors being subject to withholding tax or other penalties), the Partnership may take any action and/or pursue any remedies available to the Partnership including, without limitation, compulsory redemption of the Investor's Interests and may deduct from any redemption proceeds in respect of the Interests so redeemed, any liabilities, costs, expenses or taxes arising (directly or indirectly) from such action or inaction.

(i) In connection with the foregoing, the Investor hereby indemnifies the Partnership and each of its agents and delegates and each of their respective principals, members, managers, officers, directors, stockholders, employees and agents (each an “Indemnified Person”) and holds them harmless from and against any liability, action, proceeding, claim, demand, costs, damages, expenses (including legal expenses) penalties or taxes whatsoever which an Indemnified Person may suffer or incur as a result of any misleading or inaccurate information or documentation provided to the Partnership or any action or inaction of the Investor. This indemnification shall survive the Investor's death or disposition of its Interests in the Partnership.

5. Power of Attorney. To the fullest extent permitted by law, the Investor, by executing this Subscription Agreement, hereby appoints the General Partner, with full power of substitution, as the Investor’s true and lawful representative and attorney-in-fact, and agent of the Investor, with full power and authority to make, execute, acknowledge, verify, swear to, deliver, record and file, in the Investor’s name,

place and stead, the Partnership Agreement (thereby causing the Investor to become a Limited Partner in the Partnership) and any other agreement or instrument that the General Partner deems appropriate to admit the Investor as a Limited Partner of the Partnership. To the fullest extent permitted by law, this power of attorney is coupled with an interest, is irrevocable and will survive, and will not be affected by, the subsequent death, disability, incapacity, incompetency, termination, bankruptcy, insolvency or dissolution of the Investor. The Investor further acknowledges and agrees that under the terms of the Partnership Agreement, the Investor, to the fullest extent permitted by law, grants a further power of attorney to the General Partner as provided for therein, and further that (i) this power of attorney applies to any individual or any deemed individual (as provided in the Investor Questionnaire), and (ii) it will not revoke this power of attorney. The appointment by the Investor of the General Partner as attorney-in-fact is intended to secure an interest in property and the obligations of the Investor under this Subscription Agreement. This power of attorney shall, to the fullest extent permitted by law, be irrevocable and in recognition of the fact that each of the Limited Partners under each Subscription Agreement will be relying upon the power of the General Partner to act as contemplated by this Subscription Agreement in any action by the General Partner on behalf of the Partnership, will survive the disability or incapacity of the Investor, and the transfer of all or any portion of the Interest of such Investor in the Partnership, and will not be affected by any subsequent Incapacity of any principal of such Investor. In the event of the assignment by the Investor of all of its Interest in the Partnership, the foregoing power of attorney of the assignor Investor will survive such assignment. If such assignee is admitted as a substitute Limited Partner pursuant to the Partnership Agreement, the foregoing power of attorney will survive with respect to the transferring Limited Partner only to the extent of, and for the purpose of, enabling the General Partner to execute, acknowledge, swear to and file any instruments necessary to effect the substitution of the assignee as a substitute Limited Partner. This power of attorney may be exercised by such attorney-in-fact for all Limited Partners (or any of them) by a single signature of the General Partner acting as attorney-in-fact with or without listing all of the Limited Partners executing an instrument. Any Person dealing with the Partnership may conclusively presume and rely upon the fact that any instrument referred to above, executed by such attorney-in-fact and agent, is authorized, regular and binding, without further inquiry. If necessary or advisable, the Investor will execute and deliver to the General Partner, within ten (10) calendar days after the receipt of a request therefor, such further designations, powers of attorney or other instruments as the General Partner will reasonably deem necessary or advisable for the purposes hereof.

6. Representations and Warranties of the General Partner and the Partnership. Upon the acceptance of the Investor's subscription by the General Partner on behalf of the Partnership, in whole or in part, the Partnership and the General Partner, respectively, represent and warrant, as of the date of such acceptance, that:

(a) The Partnership has been duly formed and is validly existing and in good standing as a limited partnership under the Delaware Revised Uniform Limited Partnership Act, as amended, 6 Del. Code § 17-101 et seq., as the same may be further amended from time to time (the "Act"), with all requisite limited partnership power and authority to carry on its business as described in the Partnership Agreement. The General Partner has been duly formed and is validly existing and in good standing as a limited liability company under the Delaware Limited Liability Company Act, with all requisite limited liability company power and authority to carry on its business as the general partner of the Partnership.

(b) The execution and delivery of this Subscription Agreement have been authorized by all necessary action on behalf of the Partnership and the General Partner, and upon execution and delivery of the Acceptance of Subscription below, this Subscription Agreement constitutes a valid and binding obligation of the General Partner and the Partnership, and is enforceable against the General Partner and the Partnership in accordance with its terms (subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors' rights generally, by equitable principles (whether considered in a proceeding in equity or at law) and by an implied

covenant of good faith and fair dealing). The execution and delivery of the Partnership Agreement by the General Partner have been authorized by all necessary action on behalf of the General Partner, and the Partnership Agreement constitutes a valid and binding obligation of the General Partner, and is enforceable against the General Partner in accordance with its terms (subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors' rights generally, by equitable principles (whether considered in a proceeding in equity or at law) and by an implied covenant of good faith and fair dealing). The execution, delivery and performance of the Partnership Agreement by the General Partner do not result in a violation of or constitute a default under or breach of any contract, indenture, agreement, commitment or mortgage applicable to the General Partner.

(c) Assuming (i) the due authorization, execution and delivery to the General Partner of the Partnership Agreement and this Subscription Agreement by or on behalf of the Investor, (ii) the acceptance and execution of this Subscription Agreement by the General Partner on behalf of the Partnership and (iii) the payment by the Investor to the General Partner of the full consideration then due from the Investor for the Interest subscribed to by it, the Interest to be acquired by the Investor pursuant to this Subscription Agreement and the Partnership Agreement represents a duly and validly issued Interest, and the Investor is a Limited Partner under the Partnership Agreement and the Act.

(d) Assuming the accuracy of each of the representations and warranties made by the Investor herein and each other investor in the Partnership in their respective Subscription Agreements (in each case including the respective Investor Questionnaires), and any representations or warranties made by any other Person affiliated with the Investor or any such other investors in connection with their subscriptions for the Interest (all such representations and warranties referred to collectively as the "LP Representations"), neither the Partnership nor the General Partner has taken any action that would subject the offer and sale of the Interest to the registration requirements of the Securities Act. No representation or warranty is being made as to compliance with the securities laws of any jurisdiction outside of the United States.

(e) Assuming the accuracy of the LP Representations, the Partnership is not required to register as an "investment company" under the 1940 Act.

(f) No representation or warranty is made as to compliance with any securities laws outside of the United States regarding the registration of the Interests or the registration or regulation of investment advisers.

7. Further Advice and Assurances. The Investor represents and warrants that all of the information that the Investor has provided to the Partnership, including any information in or provided pursuant to the Investor Questionnaire, is true, correct and complete as of the date hereof, and the Investor agrees to notify the General Partner promptly if any representation, warranty or information contained in this Subscription Agreement, including the Investor Questionnaire, becomes untrue at any time. Subject to any such notification, the representations, warranties and information contained in this Subscription Agreement, including the Investor Questionnaire, will be deemed given and made and true and correct as of the date of acceptance of this subscription by the General Partner. The Investor agrees to provide such information and execute and deliver such documents with respect to itself and its direct and indirect beneficial owners as the General Partner may from time to time reasonably request to verify the accuracy of the Investor's representations and warranties herein, to comply with any law, rule, regulation or order to which the Partnership, the General Partner or the Investment Manager may be subject, and otherwise as the General Partner may reasonably request in connection with the business of the Partnership and its investments (including, without limitation, any information necessary in order to verify that the Investor, if it is a U.S. Person, is an "accredited investor" within the meaning of Rule 501 of Regulation D promulgated under the Securities Act in order to permit the General Partner and the Partnership to comply with the

provisions of Rule 506(c) of Regulation D promulgated under the Securities Act). The Investor acknowledges and agrees that the General Partner intends to continue to rely upon the answers, statements, and information set forth in this Subscription Agreement and the associated supporting documents, until notified by the Investor of any change thereto.

8. Indemnity. The Investor understands that the information provided in this Subscription Agreement, including in the Investor Questionnaire, will be relied upon by the General Partner and the Partnership for the purpose of determining the eligibility of the Investor to purchase the Interest and to be a Limited Partner of the Partnership. Unless otherwise agreed by the General Partner in writing, the Investor will indemnify and hold harmless, to the fullest extent permitted by law, the Partnership, each Limited Partner and each Covered Person from and against any loss, damage or liability (including attorneys' fees and disbursements) due to or arising out of a breach of any representation, warranty or agreement of the Investor contained in (a) this Subscription Agreement, (b) the Investor Questionnaire, or (c) any agreement (other than the Partnership Agreement) executed by the Investor with the Partnership or the General Partner in connection with the Investor's investment in the Interest. Notwithstanding any provision of this Subscription Agreement, including the Investor Questionnaire, the Investor does not waive any rights granted to it under the Partnership Agreement or any rights to which it is entitled under applicable securities laws, including the Securities Act and the Advisers Act, that are not waivable as a matter of law. The reimbursement and indemnity obligations of the Investor under this Section shall survive the date of admission to the Fund as a limited partner applicable to the Investor.

9. Subscription Amount; Effective Date. In the event the General Partner, on behalf of the Partnership, accepts the subscription of the Investor made pursuant to this Subscription Agreement, the General Partner may, in its sole discretion, reduce the Investor's Subscription Amount pursuant to the Acceptance of Subscription that follows the Investor's signature page to this Subscription Agreement. This Subscription Agreement will be effective from and after the Subscription Date, as determined by the General Partner in its sole discretion.

10. Other Subscription Agreements. The General Partner, on behalf of the Partnership, has entered into and expects to enter into one or more additional subscription agreements (the "Other Subscription Agreements") with other investors, providing for the acquisition by the other investors of the Interest and the admission of the other investors as Limited Partners. The Investor acknowledges and agrees that this Subscription Agreement and the Other Subscription Agreements are separate agreements, and the sales of the Interest to the Investor and the other investors are to be separate sales.

11. Distributions. Distributions to the Investor in respect of its Interest will be made by wire transfer of immediately available funds, or in-kind to the extent permitted under the Partnership Agreement, to the account specified in the Investor Questionnaire or as otherwise specified in writing by the Investor to the General Partner.

12. Compliance with USA PATRIOT Act.

(a) The Investor hereby represents, warrants, and covenants that it has reviewed the website of the U.S. Treasury Department's Office of Foreign Assets Control ("OFAC"),¹ and conducted such other investigations as he or it deems necessary or prudent, and neither it, nor its Affiliates, nor any Person controlling, controlled by, or under common control with the Investor or its Affiliates, nor any person having a direct or indirect beneficial interest in the Investor or its Affiliates, is an individual, organization, or entity is (i) the target of economic or financial sanctions imposed, administered, or enforced by the U.S. government, including, without limitation, OFAC, the U.S. Department of State, the United

Nations Security Council, the European Union, any European Union member state or the United Kingdom (“Sanctions”); (ii) listed in any Sanctions-related list of designated Persons such as the OFAC list of Specially Designed Nationals and Blocked Persons, or the Annex to Executive Order 13224 issued by the President of the United States, each as amended from time to time; (iii) operating in, organized under the laws of, or otherwise resident in a country or territory that is the target of comprehensive Sanctions (collectively, “Sanctioned Areas”), or (iv) owned or controlled by any such Person in clauses (i), (ii) or (iii) (collectively, subparagraphs (i)-(iv), a “Sanctioned Person”), nor is any such Person otherwise a party with which the Partnership or the General Partner is prohibited to deal under the laws of the United States.²

(b) The Investor represents, warrants, and covenants that if any of the foregoing representations or warranties in this Section 12 ceases to be true, or if General Partner and/or the Partnership no longer reasonably believes that it has satisfactory evidence as to their truth, the General Partner and/or the Partnership may be obligated to block the Investor’s investment and not accept any amounts from the Investor in accordance with the laws and regulations administered by OFAC or other applicable authority. The Investor further understands and agrees that the General Partner may be obligated to “freeze” the Investor’s Capital Account (*e.g.*, by prohibiting additional capital contributions from the Investor or suspending other rights the Investor may have under the Partnership Agreement) and the General Partner may also be required to report such action or failure to comply with information requests and to disclose the Investor’s identity to governmental authorities, self-regulatory organizations and financial institutions, in certain circumstances without notifying the Investor that the information has been so provided. The Investor will have no claim against the General Partner and/or the Partnership for any form of damages that result from the General Partner and/or the Partnership blocking the investment or reporting such blocking to OFAC or other applicable authority. If an existing Limited Partner cannot make these representations or fails to comply with information requests, the General Partner may require the withdrawal of such Limited Partner’s Interest pursuant to the Partnership Agreement.

(c) The Investor represents, warrants, and covenants that the amounts to be contributed by it to the Partnership will not (and that it is not aware of any facts or circumstances that would reasonably be expected to lead the Investor to believe that any of the funds tendered for the acquisition of the Interest are) (i) directly or indirectly be derived from activities in violation of Sanctions or that otherwise contravene U.S. federal, state or non-U.S. federal, provincial or local laws and regulations, including Anti-Money Laundering Regulations or the U.S. Foreign Corrupt Practices Act (“FCPA”), or (ii) be blocked, or otherwise subject to blocking, under any order, law, or regulation administered or enforced by OFAC or other applicable authority. The Investor further represents that the Investor does not know or have any reason to suspect that the monies used to fund the Investor’s acquisition of the Interest or to make any capital contributions are derived from, invested for the benefit of, or related in any way to, the governments of, or persons within, any country (i) under a U.S. embargo enforced by OFAC, (ii) that has been designated as a “non-cooperative country or territory” by the Financial Action Task Force on Money Laundering, or (iii) that has been designated by the U.S. Secretary of the Treasury as a “primary money laundering concern.” No contribution or other payment by the Investor to the Partnership, in and of itself, will cause the Partnership, the General Partner, the Investment Manager or any of their respective Affiliates to be in violation of the U.S. Bank Secrecy Act, the U.S. Money Laundering Control Act of 1986, the U.S. International Money Laundering Abatement and Anti-Terrorist Financing Act of 2001, the United Kingdom Bribery Act of 2010 (“UKBA”), the economic and trade sanctions administered and enforced by OFAC, the Proceeds of Crime (Money Laundering) or the applicable anti-money laundering and terrorist financing law regulations or government guidance of any Relevant Jurisdiction. “Relevant Jurisdiction” means each of the United States and the Investor’s place of residence, domicile, organization and/or principal place of

² U.S. federal regulations and executive orders administered by OFAC prohibit, among other things, engaging in transactions with, and the provision of services to, certain foreign countries, territories, entities and individuals. These individuals include specially designated nationals, specially designated narcotics traffickers and other parties subject to OFAC sanctions and embargo programs.

business. The Investor further represents that the Investor does not know or have any reason to suspect that (x) the monies used to fund the Investor's acquisition of the Interest or to make any capital contributions have been or will be derived from or related to any illegal activities, including but not limited to money laundering activities, or (y) the proceeds from Investor's investment in the Interest will be used for the purpose of funding, financing or facilitating any activities, business or transactions with any Sanctioned Person or in any Sanctioned Areas or that is otherwise illegal.

(d) The Investor understands and agrees that the investment of funds in the Partnership is prohibited by or restricted with respect to any Persons that: (i) are acting, directly or indirectly on behalf of terrorists or terrorist organizations, including those Persons that are identified as terrorists or terrorist organizations by the United Nations or the federal government of the United States (including Persons included on any of the OFAC lists), (ii) reside or have a place of business in a country or territory named on any of such lists or which is designated as a Non-Cooperative Jurisdiction by the Financial Action Task Force on Money Laundering ("FATF")³, or whose subscription funds are transferred from or through such a jurisdiction, (iii) are "Foreign Shell Banks" within the meaning of the USA PATRIOT Act, or (iv) reside in or are organized under the laws of a jurisdiction designated by the U.S. Secretary of the Treasury under Sections 311 or 312 of the USA PATRIOT Act as warranting special measures due to money laundering concerns.⁴ Such Persons in (i) through (iv) are collectively referred to as "Restricted Persons". The Investor is not, and the Investor is not aware of any facts or circumstances that would reasonably be expected to lead the Investor to believe that any investors in the Investor or any Person controlling, controlled by, or under common control with⁵ the Investor, or for whom the Investor is acting as agent or nominee in connection with the acquisition of the Interest is, a Restricted Person.

(e) The Investor represents and warrants that neither the Investor, nor any of its Affiliates or direct or indirect owners, unless otherwise disclosed in writing to the General Partner prior to the Investor's subscription for the Interest, is a "Covered Person" within the meaning of the Guidance on Enhanced Scrutiny for Transactions that May Involve the Proceeds of Foreign Official Corruption, issued by the Department of the Treasury, *et al.*, January, 2001, *e.g.*, a senior foreign political figure⁶, or an immediate family member⁷ or close associate⁸ of a senior foreign political figure. The Investor further represents that the monies used to fund the acquisition of the Interest are not derived from, invested for the

⁵ For purposes of this Section 12, "control" means the power, directly or indirectly, to direct the management or policies of a Person, whether through ownership of securities, by contract, or otherwise.

* Each of the Investor's officers, partners, or directors exercising executive responsibility (or Persons having similar status or functions) is presumed to control the Investor.

* A Person is presumed to control a corporation if the Person: (i) directly or indirectly has the right to vote 25 percent or more of a class of the corporation's voting securities, or (ii) has the power to sell or direct the sale of 25 percent or more of a class of the corporation's voting securities.

* A Person is presumed to control a partnership if the Person has the right to receive upon dissolution, or has contributed, 25 percent or more of the capital of the partnership.

* A Person is presumed to control a limited liability company ("LLC") if the Person: (i) directly or indirectly has the right to vote 25 percent or more of a class of the interests of the LLC, (ii) has the right to receive upon dissolution, or has contributed, 25 percent or more of the capital of the LLC, or (iii) is an elected manager of the LLC.

* A Person is presumed to control a trust if the Person is a trustee or managing agent of the trust.

⁶ A "senior foreign political figure" is defined as a senior official in the executive, legislative, administrative, military or judicial branches of a foreign government (whether elected or not), a senior official of a major foreign political party, or a senior executive of a foreign government-owned corporation. In addition, a "senior foreign political figure" includes any corporation, business or other entity that has been formed by, or for the benefit of, a senior foreign political figure.

⁷ "Immediate family" of a senior foreign political figure typically includes the figure's parents, siblings, spouse, children and in-laws.

benefit of, or related in any way to, the governments of, or any Person residing in or organized or chartered under the laws of, any country that has been designated as a “non-cooperative country or territory” by the FATF or a country or financial institution designated as a “primary money laundering concern” by the U.S. Secretary of the Treasury. The Investor further represents that the Investor does not know or have any reason to suspect that (A) the monies used to fund the Investor’s investment in the Interests have been or will be derived from or related to any illegal activities, including money laundering activities, or (B) the proceeds from the Investor’s investment in the Interests will be used to finance any illegal activities, including money laundering activities. In addition, pursuant to the U.S. Department of the Treasury’s Financial Crimes Enforcement Network’s final rule on “Customer Due Diligence Requirements for Financial Institutions” that became effective on May 11, 2018 (31 CFR § 1010.230) (the “Beneficial Ownership Regulation”), the General Partner and/or any administrator acting on behalf of the Fund may also be required to request that any Investor that qualifies as a “legal entity customer” (as defined under the Beneficial Ownership Regulation) provide information or documentation in order to identify, and to verify the identity of, any “beneficial owners” (as defined in the Beneficial Ownership Regulation) of such legal entity customer. The Investor represents that unless the Investor has indicated otherwise in the Investor Questionnaire submitted by the Investor herewith, the Investor does not qualify as a “legal entity customer” under the Beneficial Ownership Regulation.

(f) The Investor acknowledges and understands that the Partnership, in its discretion, may decline to accept any subscription for the Interest by a Person who is a “Covered Person.” Accordingly, the Investor agrees to inform the General Partner, prior to the acquisition of any Interest, if the Investor is aware of any facts or circumstances that would reasonably be expected to lead the Investor to believe that any investors in the Investor or any Person controlling, controlled by, or under common control with the Investor, or for whom the Investor is acting as agent or nominee in connection with the acquisition of the Interest, is a Covered Person. The Investor further represents and warrants that the Investor: (1) has conducted thorough due diligence with respect to all of its beneficial owners, (2) has established the identities of all direct and indirect beneficial owners and the source of each of such beneficial owner’s funds and (3) will retain evidence of any such identities, any such source of funds and any such due diligence for at least five years from the date such Investor ceases to be a Limited Partner of the Partnership. Pursuant to anti-money laundering laws and regulations, the General Partner and/or any administrator acting on behalf of the Partnership may be required to collect documentation verifying the Investor’s identity address and the source of funds used to acquire an Interest before, and from time to time after, acceptance by the General Partner on behalf of the Partnership of this Subscription Agreement.

(g) The Investor agrees to provide to the General Partner any information deemed necessary or appropriate by the Partnership, the General Partner or the Investment Manager, each acting reasonably, to (i) comply with the anti-money laundering laws, rules and regulations and any applicable beneficial ownership reporting and transparency regime of any applicable jurisdiction, (ii) comply with any applicable “know-your-customer” requirements and (iii) respond to requests for information concerning the identity of Limited Partners from any governmental authority, self-regulatory organization, financial institution, lender or other counterparty in connection with applicable anti-money laundering and/or “know-your-customer” compliance procedures, or to update such information.

(h) The Investor authorizes and permits the Partnership, the General Partner and the Investment Manager, each using its own reasonable business judgment, to report information about the Investor to appropriate authorities, and the Investor agrees, to the fullest extent permitted by applicable law, including the Advisers Act, not to hold them liable for any loss or injury that may occur as the result of providing such information. In addition, if the Investor is a pooled investment vehicle, the Investor authorizes and permits the Partnership and the General Partner and the Investment Manager, and each of them, each using its own reasonable business judgment, to report to appropriate authorities information about any investors in the Investor, or about any Persons controlling, controlled by, or under common

control with, the Investor, or for whom the Investor is acting as agent or nominee in connection with the acquisition of an Interest, and the Investor agrees, to the fullest extent permitted by applicable law, including the Advisers Act, not to hold the Partnership, the Investment Manager, the General Partner or any of their respective Affiliates liable for any loss or injury that may occur as the result of providing such information.

(i) In the event that the Investor receives deposits from, makes payments to or conducts transactions relating to, or is a non-U.S. financial institution, including without limitation, a branch, agency or office of a bank, (a “Non-U.S. Bank”) in connection with the Investor’s investment in the Interest, such Non-U.S. Bank: (i) has a fixed address, other than an electronic address or a post office box, in a country in which it is authorized to conduct banking activities, (ii) employs one or more individuals on a full-time basis, (iii) maintains operating records related to its banking activities, (iv) is subject to inspection by the banking authority that licensed it to conduct banking activities, and (v) does not provide banking services to any other Non-U.S. Bank that does not have a physical presence in any country and that is not a registered affiliate.

(j) The Investor agrees that, notwithstanding any other statement to the contrary in any agreement into which the Investor has entered which relates to the Partnership or in any Partnership Document, if the Partnership, the General Partner or the Investment Manager determines that (i) the Investor has appeared on a list of known or suspected terrorists or terrorist organizations compiled by any U.S. or foreign governmental agency, (ii) any information provided by the Investor in this Section 12 or in the Investor Questionnaire was not, at the time it was given, or, is no longer, materially true or accurate, or (iii) the action is necessary in order for the Partnership, the General Partner, the Investment Manager or any of their respective Affiliates to comply with applicable laws, the Partnership, the General Partner and the Investment Manager, and each of them, without limiting any other rights available to any of them under this Subscription Agreement or the Partnership Agreement, shall be authorized to take any action as shall be necessary or appropriate to comply with applicable law, including but not limited to, prohibiting additional investments by the Investor, “freezing the account” of the Investor, segregating assets of the Investor, removing the Investor from the Partnership and/or notifying the federal authorities.

(k) The Investor encloses with this Subscription Agreement an electronic copy of a government-issued photo identification together with any other documentation of identity as requested by the General Partner providing detailed verification of the Investor’s identity or a certified copy or copies of the certificate of incorporation (or other document evidencing the existence of the legal entity) with evidence of any name changes, resolutions or other evidence of the authority of officers to sign on behalf of the corporate entity and any other relevant documentation, whichever is appropriate in order that the Partnership might comply with legislation for the prevention of money laundering from time to time in force.

13. Investor Public Disclosure Obligations. Except as specifically disclosed in writing to the General Partner prior to the date hereof, the Investor is not subject to any public disclosure obligations (“Disclosure Obligations”), whether pursuant to U.S. federal, state or local Freedom of Information Act or other similar laws or regulations of any jurisdiction applicable to the Investor, or to disclosure policies adopted by, or otherwise binding upon, the Investor, which could result in the disclosure of information deemed confidential under the Partnership Agreement. The General Partner may condition the acceptance of the subscription of any Investor subject to Disclosure Obligations on such additional requirements or limitations as the General Partner may, in its sole discretion, determine in view of such Disclosure Obligations.

14. Consent to Use of Name. The Investor consents to the use of its name (and, if applicable, that of its controlling shareholder or other owners) with respect to its identity as a Limited Partner of the Partnership (and the amount of its Subscription Amount, amounts of capital contributions made and certain

other information about its Interest) in furtherance of the business of the Partnership as determined by the General Partner in its sole discretion. Without limiting the foregoing, the Investor expressly consents to the use and inclusion of its name, address, contact information and Subscription Amount, amounts of capital contributions made and distributions received (and certain other information about its Interest) as set forth in the Partnership Agreement and on any schedule or register maintained by the Partnership or the General Partner and in any and all other notices or communications required or permitted to be given by the Partnership, the General Partner, the Investment Manager or their respective Affiliates to any Partners or other Persons pursuant to the Partnership Agreement, or otherwise in furtherance of the business of the Partnership, the Investment Manager and their respective Affiliates as determined by the General Partner in its sole discretion. Without limiting the foregoing, the Investor acknowledges and agrees that the Partnership, the General Partner, the Investment Manager or their respective Affiliates may, without the consent of the Investor, disclose the Investor's identity (and, if applicable, that of its controlling shareholder or other owners), contact information, Subscription Amount and Side Letter (if applicable) (and certain other information about its Interest) (i) on a list of Partners distributed to other Limited Partners, prospective Limited Partners, or prospective investors in any other fund, (ii) in any financial statements, reports or other communications or notices distributed to the Partners, (iii) to any lender or other counterparty (or their agents, representatives or advisors) in connection with any credit facility, if any, or other indebtedness permitted under the Partnership Agreement, (iv) in connection with the Partnership's investment activities to the extent reasonably required pursuant to the terms of the investment transaction or as reasonably necessary to consummate such investment transaction (including, without limitation, in respect of any "know-your-customer" requirements, anti-money laundering requirements or other diligence requirements) or otherwise in furtherance of the business of the Partnership, the Investment Manager and their respective Affiliates as determined by the General Partner in its sole discretion, and (v) to the extent required by applicable laws, rules, regulations, orders or legal processes, including any anti-money laundering or anti-terrorist laws, rules or regulations, or pursuant to a governmental or regulatory request.

15. Counsel to the Partnership and the General Partner.

(a) The Partnership, the General Partner and the Investment Manager and one or more of their respective Affiliates may be represented by the same counsel. The attorneys, accountants and other experts who perform services for the Partnership may also perform services for any alternative investment vehicles, blocker corporations, intermediate entities, the General Partner, the Investment Manager and any of their respective Affiliates. It is contemplated that any such dual representation may continue. The General Partner may, without the consent of the Investor or any Limited Partner, execute on behalf of the Partnership any consent to the representation of the Partnership, alternative investment vehicles, blocker corporations, intermediate entities, the General Partner, the Investment Manager and any of their respective Affiliates that counsel may request pursuant to applicable rules of ethics or professional conduct or similar rules in any applicable jurisdiction ("Rules"). The General Partner has initially selected Latham & Watkins LLP as legal counsel to the Partnership with respect to U.S. legal matters ("Partnership Counsel"). The Investor acknowledges that Partnership Counsel does not represent the Investor or any Limited Partner with respect to the Partnership in the absence of a clear and explicit written agreement to such effect between the Investor and Partnership Counsel (and then only to the extent specifically set forth in that agreement), and that in the absence of any such agreement Partnership Counsel owes no duties to the Investor with respect to the Partnership. In the event any dispute or controversy arises between the Investor and the Partnership, or between the Investor or the Partnership, on the one hand, and the General Partner (or any of its Affiliates) that Partnership Counsel represents, on the other hand, then the Investor agrees that Partnership Counsel may represent either the Partnership or the General Partner (or its Affiliates), or both, in any such dispute or controversy to the extent permitted by the Rules, and the Investor hereby consents to such representation. The Investor further acknowledges that, whether or not Partnership Counsel has in the past represented or is currently representing the Investor with respect to other matters, Partnership Counsel has not represented the interests of the Investor or any Limited Partner in the preparation and

negotiation of this Subscription Agreement or the Partnership Agreement or any related matters, and the continued representation by Partnership Counsel of the Partnership or the General Partner will not be deemed to be the representation of the Investor or any Limited Partner by such counsel.

(b) The Investor acknowledges that Partnership Counsel does not investigate or verify the accuracy or completeness of any information set forth in any disclosure concerning the Partnership, the General Partner, the Investment Manager and the principal(s), their respective Affiliates or their respective personnel (as applicable). The Investor further acknowledges that, whether or not Partnership Counsel has in the past represented or is currently representing the Investor or any Limited Partner with respect to other matters: (i) Partnership Counsel has not represented the Investor or any Limited Partner's interests in the preparation or negotiation of this Subscription Agreement or otherwise in connection with the formation of the Partnership or its related vehicles or the offering of interests therein; (ii) Partnership Counsel has represented solely the General Partner and/or the Investment Manager in the preparation and negotiation of this Subscription Agreement and otherwise in connection with the formation of the Partnership and its related vehicles and the offering of interests therein; and (iii) no independent counsel has been retained by the Partnership, the General Partner or the Investment Manager to represent the Investor or any Limited Partner. The Investor will, if it wishes counsel on a legal matter with respect to the Partnership, retain its own independent counsel at its own expense. The Investor consents to Partnership Counsel's representation of the General Partner and/or the Investment Manager in the preparation, negotiation and ongoing administration of this Subscription Agreement, and if Partnership Counsel currently represents the Investor with respect to other matters, the Investor waives any conflict of interest in connection therewith. The Investor acknowledges that Partnership Counsel's representation of the General Partner, the Investment Manager and their respective Affiliates is limited to specific matters as to which Partnership Counsel has been consulted by the General Partner, the Investment Manager and their respective Affiliates. There may exist other matters which could have a bearing on the General Partner, the Investment Manager and their respective Affiliates as to which Partnership Counsel has not been consulted. The Investor acknowledges that Partnership Counsel does not undertake to monitor the compliance of the General Partner, the Investment Manager, the Partnership or their respective Affiliates with their agreements or with applicable laws. The Investor acknowledges that in assisting with the preparation of any disclosures, Partnership Counsel relies upon information furnished to it by the General Partner and its Affiliates and does not investigate or verify the accuracy and completeness of information set forth therein. Fund Counsel is entitled to rely on this Section 15 as a third-party beneficiary hereof.

16. Survival of Representations and Warranties. The Investor, the General Partner and the Partnership acknowledge specifically that the representations, warranties and covenants contained herein, including those in the Investor Questionnaire, or made in writing by the Investor or by or on behalf of the Partnership or the General Partner in connection with the transactions contemplated by this Subscription Agreement shall survive the execution and delivery of this Subscription Agreement, the closing of the transactions contemplated hereby, each subsequent closing date of the Partnership, any investigation at any time made by or on behalf of the Partnership or the General Partner or the Investor, the issue and sale of the Interest and the dissolution and winding-up of the Partnership, and the understandings and agreements set forth in this Subscription Agreement will survive the date of this Subscription Agreement, in each case, up to the expiration of the statute of limitations applicable thereto. The Investor further agrees that by acquiring the Interest on the date of its initial capital contribution and at each time the Investor makes any additional capital contribution pursuant to the Partnership Agreement, it shall be representing and warranting that the representations and warranties contained herein are true as at the date of its initial capital

contribution or the date of such additional capital contribution, as the case may be, with the same force and effect as if they had been made by it at such time.

17. Confidentiality. The Investor hereby confirms that the Investor has carefully read and understands the terms of the confidentiality provisions set forth in the Partnership Agreement and agrees to be bound by and comply with all of such terms and provisions.

18. Consent to Electronic Delivery of K-1 Statements. The Investor acknowledges that it has read the Disclosure Statement Regarding Electronic Delivery of U.S. Internal Revenue Service Schedule K-1 attached as Annex 6 hereto, and confirms that (a) it consents to electronic receipt of K-1 statements in respect of (i) its Interest in the Partnership, and (ii) any other entity classified as a partnership for U.S. federal income tax purposes that the Investor owns an interest in reason of its purchase of an Interest in the Partnership (*e.g.*, because of the use of a feeder fund or parallel fund), (b) it is able to access and print “.pdf” documents sent to the Investor’s email address set forth in the Investor Questionnaire and/or sent to the Investor via the Investment Manager’s online investor portal or other similar website, and (c) it will reaffirm its consent, if requested, prior to accessing K-1 statements.

19. Miscellaneous.

(a) To the fullest extent permitted by law, this Subscription Agreement may not be assigned by the Investor without the consent of the General Partner. Except as otherwise provided herein, this Subscription Agreement will be binding upon and inure to the benefit of the parties and their respective heirs, executors, administrators, successors, legal representatives and permitted assigns. The obligations, agreements, representations, warranties and acknowledgments of the Investor herein will be deemed to be made by and be binding upon the Investor and its heirs, executors, administrators and successors.

(b) The Investor Questionnaire is an integral part of this Subscription Agreement and is incorporated by reference herein. The representations, warranties, indemnities and confirmations made by the Investor in this Subscription Agreement, including the Investor Questionnaire, will survive the closing of the transactions contemplated hereby, each subsequent closing date of the Partnership, any transfer of the Interest and the termination of the Partnership.

(c) The descriptive headings in this Subscription Agreement are for convenience of reference only, and will not be deemed to alter or affect the meaning or interpretation of any provision of this Subscription Agreement.

(d) This Subscription Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which taken together shall constitute one and the same agreement. For the avoidance of doubt a Person’s execution and delivery of this Subscription Agreement by electronic signature and electronic mail (in portable document format (PDF) or other format) or other electronic transmission of signatures of the parties complying with the U.S. federal ESIGN Act of 2000 and applicable Delaware law (*e.g.*, via DocuSign, www.docusign.com or other similar method) (jointly, an “Electronic Signature”), shall constitute the execution and delivery of a counterpart of this Subscription Agreement and the Partnership Agreement by or on behalf of such Person and shall bind such Person to the terms of this Subscription Agreement and the Partnership Agreement. The parties hereto agree that this Subscription Agreement and any additional information incidental hereto may be maintained as electronic records. Any Person executing and delivering this Subscription Agreement by Electronic Signature further agrees to take any and all reasonable additional actions, if any, evidencing its intent to be bound by the terms of this Subscription Agreement and the Subscription Agreement, as may be reasonably requested by the General Partner.

(e) Each provision of this Subscription Agreement will be considered severable and if for any reason any provision or provisions herein are determined to be invalid, unenforceable or illegal under any existing or future law, regulation or order, such invalidity, unenforceability or illegality will not impair the operation of or affect those portions of this Subscription Agreement that are valid, enforceable and legal.

(f) The Investor will not duplicate or furnish copies of the Fund Documents to Persons other than the Investor's beneficial owners, investment and tax advisors or legal counsel in connection with its investment in the Partnership.

(g) To the fullest extent permitted by law, failure by the Partnership, or the General Partner on behalf of the Partnership, to exercise any right or remedy under this Subscription Agreement or any other agreement between the Partnership or General Partner and the Investor, or delay by the Partnership, or the General Partner on behalf of the Partnership, in exercising the same, will not operate as a waiver. No waiver by the Partnership will be effective unless it is in writing and signed by the General Partner on behalf of the Partnership.

(h) This Subscription Agreement will be governed by and construed in accordance with the laws of the State of Delaware without giving effect to any principles of conflicts of laws, whether arising under the laws of Delaware or any other jurisdiction, that would result in the application of the law of any other jurisdiction.

(i) Unless the General Partner otherwise agrees in writing, any legal action or proceeding with respect to this Subscription Agreement may be brought only in the courts having situs within San Diego, California, and, by execution and delivery of this Subscription Agreement, each Investor hereby irrevocably accepts for itself and in respect of its property, generally and unconditionally, the non-exclusive jurisdiction of the aforesaid courts; *provided* that, notwithstanding anything to the contrary herein, and to the fullest extent permitted by law, in no event will the Investor knowingly bring any claim arising under or in connection with this Subscription Agreement or the legal relationship established by this Subscription Agreement in a jurisdiction that would not apply the laws of San Diego, California. Unless the General Partner otherwise agrees in writing, the Investor hereby further irrevocably waives, to the fullest extent permitted by law, any claim that any such courts lack personal jurisdiction over it, and agrees not to plead or claim, in any legal action proceeding with respect to this Subscription Agreement in any of the aforementioned courts, that such courts lack personal jurisdiction over it. To the fullest extent permitted by applicable law, unless the General Partner otherwise agrees in writing, any legal action or proceeding with respect to this Subscription Agreement or any other agreement or the Investment Management Agreement by any Limited Partner seeking any relief whatsoever against the General Partner or any of its Affiliates may only be brought in courts having situs within San Diego, California, and not in any other court in the United States of America, or any court in any other country; *provided* that, notwithstanding anything to the contrary herein, and to the fullest extent permitted by law, in no event will the Investor knowingly bring any claim arising under or in connection with this Subscription Agreement or the legal relationship established by this Subscription Agreement in a jurisdiction that would not apply the laws of San Diego, California. Unless the General Partner (acting on its own behalf or on behalf of the Partnership) otherwise agrees in writing, to the fullest extent permitted by law, each of the parties hereto hereby irrevocably waives any objection that it may now or hereafter have to the laying of venue of any of the aforesaid actions or proceedings arising out of or in connection with this Subscription Agreement brought in the aforesaid courts and hereby further irrevocably, to the extent permitted by applicable law, waives its rights to plead or claim and agrees not to plead or claim in any such court that any such action or proceeding brought in any such court has been brought in an inconvenient forum. Unless the General Partner (acting on its own behalf or on behalf of the Partnership) otherwise agrees in writing, the Investor, to the fullest extent permitted by applicable law, irrevocably consents to service of process in connection with any matter

arising under this Subscription Agreement by first class mail, certified postage prepaid, at the address and to the Person(s) specified in the Partnership Agreement. Nothing in this Subscription Agreement will affect the right of any party to this Subscription Agreement to serve process in any other manner permitted by law. UNLESS THE GENERAL PARTNER OTHERWISE AGREES IN WRITING, THE INVESTOR HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT THAT SUCH PARTY MAY HAVE TO A TRIAL BY JURY OF ANY CLAIM OR CAUSE OF ACTION DIRECTLY OR INDIRECTLY BASED UPON OR ARISING OUT OF THIS SUBSCRIPTION AGREEMENT.

Real estate that is used by the owner or a Related Person (as defined below) of the owner for personal purposes, or as a place of business, or in connection with the conduct of the trade or business of such owner or a Related Person of the owner, will NOT be considered real estate held for investment purposes; provided that real estate owned by an Investor who is engaged primarily in the business of investing, trading or developing real estate in connection with such business may be deemed to be held for investment purposes. However, residential real estate will not be deemed to be used for personal purposes if deductions with respect to such real estate are not disallowed by Section 280A of the Internal Revenue Code.

A Commodity Interest or Physical Commodity owned, or a Financial Contract entered into, by the Investor who is engaged primarily in the business of investing, reinvesting, or trading in Commodity Interests, Physical Commodities or Financial Contracts in connection with such business may be deemed to be held for investment purposes.

“Physical Commodities” means any physical commodity with respect to which a Commodity Interest is traded on a market specified in the definition of Commodity Interests above.

“Public Company” means a company that:

For purposes of determining the amount of investments owned by a company under Section C(iv) of the Investor Questionnaire, there may be included investments owned by majority-owned subsidiaries of the company and investments owned by a company (“Parent Company”) of which the company is a

majority-owned subsidiary, or by a majority-owned subsidiary of the company and other majority-owned subsidiaries of the Parent Company.

In determining whether a natural person is a qualified purchaser, there may be included in the amount of such person's investments any investments held jointly with such person's spouse, or investments in which such person shares with such person's spouse a community property or similar shared ownership interest. In determining whether spouses who are making a joint investment in the Partnership are qualified purchasers, there may be included in the amount of each spouse's investments any investments owned by the other spouse (whether or not such investments are held jointly). The amount of any such investments will be deducted by any amounts specified by paragraph 2(a) of Annex 3 incurred by such spouse.

In determining whether a natural person is a qualified purchaser, there may be included in the amount of such person's investments any investments held in an individual retirement account or similar account the investments of which are directed by and held for the benefit of such person.

VALUATION OF INVESTMENTS

The general rule for determining the value of investments in order to ascertain whether a person is a “qualified purchaser” is that the value of the aggregate amount of investments owned and invested on a discretionary basis by such person is their fair market value on the most recent practicable date or their cost. This general rule is subject to the following provisos:

- (1) In the case of Commodity Interests (as defined in Annex 2), the amount of investments is the value of the initial margin or option premium deposited in connection with such Commodity Interests; and
- (2) In each case, there will be deducted from the amount of investments owned by such person the following amounts:
 - (a) The amount of any outstanding indebtedness incurred to acquire or for the purpose of acquiring the investments owned by such person; and
